

Price Sheet for Services

SERVICE CATEGORY	SERVICE NAME	SERVICE DESCRIPTION	Service Number	List COST Per Unit	Unit of Issue	Discount % off	DIR Customer Price Per Unit
Centre Assist Secure IT Managed Services	Centre Assist Secure IT Managed Services - per Endpoint Device	Identify and Manage Configuration of Hardware and Software, Manage Hardware and Software Security Vulnerabilities and Remediate, Protect and Manage Sensitive Data, Prevent and Mitigate Loss or Breach of Classified Information, Asset Discovery, Data Backup Management, Spam Protection (O365 Only), Incident Response and Mitigation, Incident Reporting, Malicious Code Protection, Virtual Private Networks (VPN)(Meraki Only), Virtual System and Infrastructure Management, and Support Services, Encryption for Endpoints(Bitlocker for Wksta Only), Cryptography, Including Key Establishment and Management, Data Leak Protection (DLP)(O365 Only), Maintenance Tools, Endpoint Protection Platforms (EPP), Transmission Confidentiality and Integrity(O365 Only), Time Synchronization(AD NTP Only), Access Control, Including Port Security and MAC Address Filtering, Network Interface Management, Network Boundary Protection, Network Segmentation and Segregation, Network Monitoring, Network Mapping, Event Logging, Remote Access Security, User and System Identity Management, Credential Management, User Permissions Management, Configuration Management, Identity Proofing, Identity Theft Protection(LionGard DarkWeb Monitoring), Multi-Factor Authentication (MFA)(M365 Only), Hardware Inventory Management, Software Inventory Management, Identity and Authentication, Management (IAM)(Microsoft Suite Only), Password Management, Vulnerability Scanning and Management, Network Architecture Documentation, Change Control Management, Incident Response Management and Recovery, Firewall Management and Support (Excludes WAF), Cybersecurity Awareness Training (Powered by KnowBe4, Managed by Centre)	CENT-MS2-ENDPOINT	\$150.00	Per Device	15.00%	\$128.46
Centre Technical Services	Tier I CC	This position is focused on implementing and supporting various IT Infrastructure technologies as mentioned below with an emphasis on matter resolution, on-boarding of new clients, racking, cabling, installation and removal of hardware, verbose documentation of projects or tasks and other duties as assigned.	CENT-NC-C	\$115.00	Hourly Rate	10.00%	\$104.28
Centre Technical Services	Tier II CTC	This position is focused on supporting various IT Infrastructure technologies with an emphasis on Root Cause Identification and Resolution. This role will be primarily focused on server, network, critical application troubleshooting, etc.	CENT-NC-TC	\$155.00	Hourly Rate	10.00%	\$140.55
Centre Technical Services	Tier III CSTC	This position is focused on implementing and supporting various IT Infrastructure technologies with an emphasis on Root Cause Identification and Resolution & Project Design and Implementations.	CENT-NC-STC	\$190.00	Hourly Rate	10.00%	\$172.28
Centre Managed Services	Managed Secure File Sharing	Secure File Sharing powered by Citrix ShareFile - Managed by Centre	CENT-HS-CSP-CSF-UNLM	\$14.25	Per Device	10.00%	\$12.92
Centre Managed Services	Managed Pen Testing	Penetration testing to identify possible exploitable pathways and validate strength of defenses (By eSentire, Managed by Centre)	CENT-MS3-SEC-PEN	\$6,944.44	Up to 5 external IP Addresses Over 5 IP Addresses -Call for Pricing	10.00%	\$6,296.87
Centre Managed Services	Managed Detection and Response service for Cloud Platforms	Provide Protection of Data and Services for Virtual/Cloud Systems, Security Function Isolation for Cloud Platforms, Compliance with cybersecurity framework standards (ISO, NIST, etc.), Continuous Security Monitoring and Threat Detection, Protect against Data Loss and Theft, Anomaly and Event Detection	CENT-MS3-SEC-SOC-CDR	\$97.63	Per Workload	10.00%	\$88.53
Centre Managed Services	Managed Detection and Response Service for Endpoint Devices	Endpoint Detection and Response (EDR) Platforms to provide Protection of Data and Services for User Devices and Applications, Network Disconnect, Cloud compliance with cybersecurity framework standards (ISO, NIST, etc.) for Endpoints, Provide Continuous Security Monitoring and Threat Detection for Endpoints, Protect against Data Loss and theft for Endpoints, Anomaly and Event Detection for Endpoints, Forensic Investigative and Examination (Choice of Crowd Strike or Carbon Black)	CENT-MS3-SEC-SOC-EDR	\$17.06	per Device	10.00%	\$15.47
Centre Managed Services	Managed Detection and Response Service for Networks	Managed Detection and Response service to provide protection of data and services for network components offering a Zero Latency IPS/IDS, Port and Service Lockdown, Security Function Isolation, Cloud compliance with cybersecurity framework standards (ISO, NIST, etc.), Provide continuous security monitoring and threat detection, Protect against Data Loss and Theft, Anomaly and event Detection (Requires purchase of one or more Managed On-Premise Network Sensors, CENT-MS3-SEC-SOC-SNS)	CENT-MS3-SEC-SOC-NDR	\$22.71	Per Device plus Sensor	10.00%	\$20.59

Centre Managed Services	Managed On-Premise Network Sensor	On-Premise Network Sensor to be managed by eSentire and Centre (Requires purchase of CENT-MS3-SEC-SOC-NDR)	CENT-MS3-SEC-SOC-SNS	\$325.00	Per Sensor	10.00%	\$294.69
Centre Managed Services	Managed Cloud Native AI-Blended Cyber-SOC SIEM Service	Managed Cloud Native AI-Blended Cyber-SOC SIEM Services that include Cloud-Based Co-Managed Logging Service with Log Retention, Archiving, Alert Escalation, and Investigation	CENT-MS3-SEC-SOC-SIEM	\$2,873.80	Up to 3GB per Day Log Ingestion Over 3GB per Day Log Ingestion Call for Pricing	10.00%	\$2,605.82
Centre Managed Services	Managed Vulnerability Scanning and Mitigation Service	Continuous Scanning, Evaluation and Mitigation of Vulnerabilities and Threats Service	CENT-MS3-SEC-VULN	\$213.00	Per IP	10.00%	\$193.14
Centre Managed Services	Managed Security Advisory Services	Baseline Establishment, Incident Response Planning and Preparedness, Cybersecurity program evaluation, Governance Development of Policy, Processes, and Procedures, System maintenance Policy and Procedures, Cybersecurity Risk Assessment and Management, Response Planning and Communications, Cybersecurity Improvement, Contingency Planning and Training, Incidence Response Training, Cybersecurity Training Software and Services	CNET-ADVISORY	\$230.00	Per Hour	10.00%	\$208.55
Centre Managed Services	Managed Backup as a Service VEEAM Agent for Server	Backup-as-a-Service via Veeam Agent - Server - Per DC	CENT-HS-BAAS-VEEAM-AG-S-DC	\$17.38	per Server - Single DC	10.00%	\$15.76
Centre Managed Services	Managed Backup as a Service VEEAM Agent for Workstation	Backup-as-a-Service via Veeam Agent - Workstation - Per DC	CENT-HS-BAAS-VEEAM-AG-W-DC	\$5.22	per Wksta - Single DC	10.00%	\$4.73
Centre Managed Services	Managed Backup as a Service VEEAM Backup and Replication	Backup-as-a-Service via Veeam Backup & Replication	CENT-HS-BAAS-VEEAM-BR	\$13.48	per Hosted VM or On-Prem Mgd Server	10.00%	\$12.22
Centre Managed Services	Managed Backup as a Service VEEAM Availability Suite for Enterprise	Backup-as-a-Service via Veeam Availability Suite E	CENT-HS-BAAS-VEEAM-BRV1	\$14.78	per Hosted VM or On-Prem Mgd Server	10.00%	\$13.40
Centre Managed Services	Managed Backup as a Service VEEAM Cloud Connect for Server	Backup-as-a-Service via Veeam Cloud Connect - Svr - Per DC	CENT-HS-BAAS-VEEAM-CCB-S-DC	\$9.38	per VM or Phys Machine	10.00%	\$8.51
Centre Managed Services	Managed Backup as a Service VEEAM Cloud Connect for VM	Backup-as-a-Service via Veeam Cloud Connect - VM - Per DC	CENT-HS-BAAS-VEEAM-CCB-VM-DC	\$6.26	per VM	10.00%	\$5.68
Centre Managed Services	Managed Backup as a Service VEEAM Cloud Connect for Workstation	Backup-as-a-Service via Veeam Cloud Connect - Wksta - Per DC	CENT-HS-BAAS-VEEAM-CCB-W-DC	\$3.12	per VM or Phys Machine	10.00%	\$2.83
Centre Managed Services	Managed Backup as a Service VEEAM Cloud Connect	Backup-as-a-Service via Veeam Cloud Connect	CENT-HS-BAAS-VEEAM-LEVEL-A-S	\$6.00	per VM	10.00%	\$5.44
Centre Managed Services	Veeam Management per VM	Veeam Management per VM	CENT-HS-BAAS-VEEAM-MGMT-VM	\$15.00	per VM	10.00%	\$13.60
Centre Managed Services	Managed Backup as a Service VEEAM for Microsoft O365	Backup-as-a-Service via Veeam - Microsoft O365	CENT-HS-BAAS-VEEAM-O365	\$2.00	per User	10.00%	\$1.81
Centre Managed Services	Managed Backup as a Service VEEAM 5eed Unit - 32TB	Backup-as-a-Service - Seeding Unit -32TB	CENT-HS-BAAS-VEEAM-SEED	\$680.00	per Unit	10.00%	\$616.59
Centre Managed Services	Managed Backup as a Service VEEAM Consumption per GB	Backup-as-a-Service - Consumption Veeam (Per GB)	CENT-HS-BAAS-VEEAM-STOR-C	\$0.30	per GB	10.00%	\$0.27
Centre Managed Services	Managed Backup as a Service Provisioned VEEAM per GB for 30 Days	Backup-as-a-Service - Provisioned Veeam (Per GB) - 30 Days	CENT-HS-BAAS-VEEAM-STOR-P	\$0.10	per GB	10.00%	\$0.09
Centre Managed Services	Managed Backup as a Service Provisioned VEEAM per GB plus 30 Days	Backup-as-a-Service - Provisioned Veeam (Per GB) + 30 Days	CENT-HS-BAAS-VEEAM-STOR-P-M	\$0.03	per GB	10.00%	\$0.03
Centre Managed Services	Managed Backup as a Service Provisioned VEEAM Repository	Backup-as-a-Service - Provisioned Veeam Repository	CENT-HS-BAAS-VEEAM-STOR-REP	\$0.06	per GB (Min - 1024GB)	10.00%	\$0.05
Centre Managed Services	Managed Backup as a Service via VEEAM ONE (No Backup and Replication)	Backup-as-a-Service via Veeam ONE (No Backup & Replication)	CENT-HS-BAAS-VEEAM-V1	\$3.96	per Level V1	10.00%	\$3.59
Centre Managed Services	Managed Disaster Recovery as a Service via VEEAM Cloud Connect Replication - Server	DR-as-a-Service via Veeam Cloud Connect Replication - Svr	CENT-HS-DRAAS-VEEAM-CCR-S-DC	\$12.50	per VM	10.00%	\$11.33
